

In response to your letter dated 2/3/09:

As a matter of ordinary practice the committee accumulates and reports the aggregate amount spent for out-of-pocket expenses by Mr. Polis for the entire reporting period. These expenses include staff labor costs for persons employed personally by Mr. Polis. The amount disclosed on the 48-hr report reflects the total amount accrued during the 48-hr reporting period. This amount is included in the total in-kind amount for the reporting period, which was \$7639.52, reported on 11/24/08 in the Post-Election report.
